# Bludgeons

This fan-fiction article, Bludgeons, was written by Witcher190 and Adal Aedirn. Please do not edit this fiction without the writers' permissio

A bludgeon in this case is any solid object used as a weapon, which damages its target by applying direct mechanical force, and has no penetrating point or edge, or is wielded so that the point or edge is not the part of the weapon that inflicts the injury. Blunt instruments may be contrasted with edged weapons, which inflict injury by cutting or stabbing. The effect of such weapon is determined by the muscular force of its holder.
